Please note that whereas the statistical form asks for your Meeting's statistics as they were on a specific date (last December 31st), this memorial form asks for information about all WYM members who died since last July. Don't hesitate to include deaths which occurred before last July if they weren't turned in last year. (See pages 94-95 in the WYM Minute Book if it would help to see the list of those recognized in last year's memorial service.)

Name of deceased member	Date of birth	Date of death
